

11 A.M. Sunday Services

CONGREGATIONAL CHURCH TO BURN MORTGAGE

The mortgage for the Congregational Church is to be burned, Sunday morning, during the 11 am service.

The church has been indebted ever since it built an addition, in the rear of the church, a dozen years ago, for social and Sunday School years. A recent inheritance from the estate of Mr and Mrs Louis Grossmen, who lived at 16 Federal Street and were for many years members of the Church, has enabled the Church to complete its payments on the

mortgage.

To show that the Church is now on the move towards the future the people have elected to undertake a Church Beautification and Improvement Program.

Immediately following the 9:30 and 11 am services Sunday solicitations will begin for pledges for the Improvement Fund, which will extend over a period of three years, from May 1969 through May 1972.

There is to be a coffee hour after the 11 am service, in the

PAGE TWELVE

AVCO

Divisions Change Names

Divisional name changes of the Wilmington and Lowell Avco plants were announced yesterday, by James R. Dempsey, Avco Vice President, and Group Executive.

Effective immediately, the former Avco Missile Systems Division, on Lowell Street, became Avco Systems Division. Avco Space Systems Division in Lowell became Avco Applied Technology Division.

The two name changes were made to reflect more appropriately the technical strengths and business lines of the two divisions.

Avco Systems Division, on Lowell Street will consolidate, within one division, Avco's experience and capabilities in the design and development of aerospace systems and sub-systems. This concentration will strengthen Avco's ability to apply these skills to the solution of other complex government and commercial system problems. It will provide a significant growth stimulus not only to the Wilmington operation, but to the entire Avco Corporation.

PAGE TWELVE

PART OF THE CAST: For My Fair Lady, which is to be presented in the High School tonight and tomorrow night. Advance sales of tickets have been very good, according to reports.

In the center of the group are five young men, four of whom constitute the Cockney's Quartet, which sings with Alfie Doolittle, under the name of the Cockney Quartet.

Alfie (Ronnie Watson) is to the left of the tallest boy. The other four, in order are John Savage, David Vokey, David O'Rourke and Joe Mullens. In the background may be seen St. Pauls Cathedral. The scenery represents London about 1912.

Volkswagon Opens Next Monday

Volkswagen's new headquarters and computer center to direct sales, service and parts distribution in five New England states will officially open for business in its new facility on Fordham Road on Monday morning.

The new home of Volkswagen Northeastern Distributor, Inc. has 200,000 square feet of floor space, which is approximately three times larger than the Waltham headquarters from which it is moving. It is to be occupied just ten months after construction was started, last summer.

The new headquarters includes an IBM 360 Model 30 computer, with disc files, which is capable of storing 432 millions bits of information, and will enable the distributorship to provide a greatly improved service for Volkswagen car owners and dealers. The new warehouse will store 16,500 different parts, valued at \$5,000,000, and there is room for expansion to 27,000 items. The warehouse itself is 320 feet long and 320 feet wide, with 24 feet of clear space from the floor to the lowest overhead obstruction. Three electric high-lift pickers, with a maximum lift of 15 feet, will allow operators to pick or store parts from floor level to 22 feet.

Sam Tucker, Vice President of

Volkswagen Northeastern Inc. is a former Wilmington resident, and is administrative head of the new

plant, with its 150 employees.

Imagine Meeting You Here!

TWO WOBURN MEN: Named Aaronsen and Dwyer, had a sudden and unexpected meeting a week ago yesterday, on the narrow Eames Street bridge, and were taken together to the hospital, from which they have since been discharged.

Their cars were declared total wrecks.

DOUGLAS RUSSELL IS
COMMAND SERGEANT MAJOR
AT PICATINNY ARSENAL

Sergeant Major Douglas S. Russell, son of Mr and Mrs Marvin Russell of 12 Birchwood Road was assigned last month the Command Sergeant Major's position at Headquarters, US Army Munitions Command, Picatinny Arsenal, Dover, New Jersey.

The current assignment makes Russell the top non-commissioned officer of the sprawling nationwide Munitions Command. His last post was the administrative Non-Com at the Headquarters of the Eighth Army, Seoul, Korea.

A veteran of 26 years in the US Army, Russell is a 1941 graduate of Wilmington High School. He attended Wentworth Institute in Boston for over a year, and then entered the Army in early 1943.

Mrs Russell, and their three children, Stanley, James and Jean live in Ayer. Stanley will be graduating from the ROTC program at the University of Mass in May, and is expected to accept a commission as a second lieutenant in the US Army.

Selectmen's Meeting

In a relatively short meeting Monday night the board of selectmen had nothing to refer to the Town Counsel. There were only three selectmen present.

A lot of land on Brand Avenue was sold to an abutter, Charles Taylot. Taylor was told that the land could be built on only as a part of his houselot.

Five names were drawn for the Jury Pool. Victor Misells of 154 Federal Street, and Earl Zimmerman of Charlotte Road will serve at Cambridge Superior Court, Civil Session. Evelyn F. Allgrove, 311 Middlesex Avenue, will have duty at the Lowell Superior Court, Civil Session. Catherine B. Peterson of 119 Grove Avenue, and James F. Dawson Sr. of 65 Glen Road were drawn for duty at the Cambridge Superior Court, Criminal Session. All will serve during the month of May, the civil session starting on May 5th and the criminal session on May 12.

This is believed to be the largest number of jurors drawn at one time in the Town of Wilmington.

Taxi license of Joe's Taxi (four cabs) was renewed.

A Class I Auto Dealer's license was granted to Volkswagen Northeastern, Inc. Fordham Road, for the sale of new merchandise.

Horse show licenses were granted to three organizations, all with shows scheduled at Clarke's Farm on Andover Street.

The Wilmington Kiwanis will have a horse show on May 25, the Billerica Rotary on May 18, and the North Shore Horsemen's Association on April 27.

There was a discussion of a letter which discusses the huge jump in the Assessment to Wilmington of MBTA costs. The new assessment, tentatively, is set at \$100,863. Last year's assessment was \$6,022. The discussion was none committal, because of a lack of information, and taking part was William Hooper, of the Planning Board, who was interested in getting figures for the Planning Board.

Another letter concerned an April 8th meeting in the city of Newton, on the Middlesex County Tuberculosis Hospital costs. Mr. Banda read figures from the letter which showed that many patients at the hospital were from other than Middlesex County, but were being paid for by Middlesex.

Selectman MacDonald mentioned a garage business which is apparently being carried on, on Butters Row. He asked if there was a license. It was brought out that a previous owner of the same property had conducted a garage business there, and had been stopped. MacDonald said there were many junk cars on the property.

TM Morris had favorable reports from the Town Engineer and Highway Superintendent on the proposed manholes on Lowell St., to be installed by New England Telephone. There will be a discussion of them at a public hearing in next week's meeting.

The Selectmen signed an Order of Taking, in accordance with the Town Meeting vote, making the laid out width of West Street, from Lowell St. to Suncrest Avenue, 40 feet.

The Selectmen decided on a date of April 28 to May 2 for 'Cleanup Week'. Town trucks will be available for roadside pickup of trash which homeowners would otherwise be unable to dispose of. A pickup may be arranged by calling the Highway Department Garage (658-4481).

John Elia submitted an application for increased storage of gasoline, for his gas license on Middlesex Avenue in North Wilmington. He has a license now, which has been under some discussion by the Selectmen, for 2,000 gallons of gasoline. Elia told the Selectmen that he hopes for increased gallon licenses, as he plans to replace the present store with a gas station and build a new store on property he has in North Wilmington. The matter was put on the agenda for next week's meeting, for discussion, at which time a hearing date will be set.

The question of providing the Planning Board with a tape of the Town Meeting discussion, particularly with the conservancy article, for Professor Eliot, has been resolved. A copy of the original tape is to be made, for the Town Hall. The meeting adjourned at 8:23 pm.

Next week's meeting will be held on Tuesday, instead of the regular Monday date, as two Selectmen will be unable to attend on Monday.

FOUR YEAR SCHOLARSHIPS FOR NURSING STUDENTS

The US Army Nurse Corps is accepting applications until April 15 for its Walter Reed Army Institute of Nursing (WRAIN) program, according to Lt. Col. Elizabeth I. Ridgers, ANC, Army Nurse Councilor for the Recruiting Main Station, in Boston.

Approximately 150 applicants are chosen each year to participate in this educational assistance plan for nursing students. WRAIN participants study two years at an accredited four year college or university of their choice, and then spend the final two years at the Walter Reed Army Medical Center in Washington, D.C. Classroom studies at the Center are under the direction of the University of Maryland, which confers the bach-

elor of science degree in nursing upon completion of the program.

The Army pays all education expenses, plus an allowance of approximately \$270 per month, while the participant earns his or her two years of credit at the college they choose. The course is open to qualified young men and women.

In return for the four year scholarship, WRAIN participants serve in the exciting all-officer Army Nurse Corps for three years after graduation. Applicants must not have reached their 24th birthday by September 1969. Young men under 18 and women under 21 must have written consent of their parents or legal guardians.

Interested High School seniors and recent graduates may obtain further information of the WRAIN program, and description of the financial assistance provided, from Lt. Col. Rodgers, ANC, Recruiting Main Station, Boston Army Base, 666 Summer Street Boston, or call LI2-6000, Extension 122.

Annual Meeting of

Women's Club April 17

The Wilmington Women's Club is to hold its Annual Meeting next Thursday, in the Fellowship Hall of the Wilmington United Methodist Church.

The hostesses, with Mrs. William F. Butt chairman, will serve refreshments at noon, which will be followed by a social hour.

The business meeting will be conducted by the President, Mrs. Frederick L. Worby, starting at 1 pm. A delightful program 'Gardens of Wilmington' will follow. Colored slides will be shown by Mrs. Raleigh Nelson, Chairman of Conservation and Gardens Committee.

GIRL SCOUTS VISIT TEWKSBURY HOSPITAL

Junior Girl Scout Troop 268, under the leadership of Mrs. Judy Simmons, undertook a service project of cheer for Easter.

The fourth, fifth and sixth graders made and delivered gifts of soap filled face cloths, gaily decorated with flowers, to several of the women patients at the Tewksbury State Hospital.

Letter

60 Chestnut Street
April 6, 1969

Dear Editor:

People of Wilmington are again being bitten by dogs which are free to roam the town, without restrictions of any kind.

There is a law which can take care of the problem, but it is only a written statement, on paper, and not effective.

This afternoon, at 2:50 I was riding my bicycle with some of the neighbor's children, on Butters Row. After going over the bridge and while on my way to Chestnut Street a group of four or five dogs ran towards us. A large German Shepard wasted no time, and took a bit at my right leg, at the ankle.

It was a total surprise to me, but then the children told me of the situation. I went directly to the police station, and did hope to have understanding, if no help. I realize that we have a dog catcher, but being Easter I felt that the best action on my part would be to go to the Police Station.

I gave my name and address, and a review of what had happened. After a few minutes of waiting I began to leave. At this time, the police on duty (3:05 pm) the policeman on duty called out to me, to return, and I was told that he had tried to get the dog catcher, and his job to enforce the law in this case.

I was also informed by the police not to get excited. He was informed that I was excited for two reasons: One, I was the one that had been bitten by the dog, and Two, I did not know until now that he had been making a call for me. I feel that it would do our police a great deal of good if they would put themselves in our shoes, while talking to us.

After I got home I tried to call the dog catcher, at 658-2949, but with no luck.

Progress is slow in taking care of items like this. The offended individual is a part of the smallest of minorities, since there are citizens who have not had a similar experience, and do not care.

Naturally, I do not have a dog,

but if I did he would not be free to roam around and bite people. This particular dog has bitten other people in the past, and I am sure that he will in the future.

My experience has made me understand what my wife has been telling me, that it is not safe for her to walk to nearby stores from our home, without encountering dogs roaming freely, without their owners nearby.

Some may take this as a joke,

but it is not one when, some day, you are bitten. The dogs are not to blame. Their owners certainly should be aware of their dogs' behaviour, and they are the ones who should consider those who walk on the streets, or ride bikes. The teeth, if I may say so, should be in the law, and not the dog.

Yours truly
Omer Houle

FLORA GOT THE BUNNY: Mrs. Flora Kasabuski of Laite Road, a member of the Wilmington Housing Authority, was awarded the bunny of the Tewksbury Lions Club. The bunny raised funds for the Lions Club Scholarship Fund. The bunny was awarded by Louis Hallson, of the Silver Lake Pharmacy.

VOLKSWAGEN (Fr. Fr. Pg.)

The new Volkswagen home has a data processing plant which will provide electronic accounting for the distributorship and the dealers. It will handle depot and dealer parts inventory management, vehicle sales distribution and inventory control, warranty claim processing, quality control statistics, and various distributor accounting functions and dealer financial analysis, including re-

ference composites, according to Mr. Tucker.

Optical scanning equipment, recently added, will enable the company to process dealers' book-keeping transactions and supply the dealers with a complete set of journals and ledgers monthly, and to print the dealers' monthly financial statements. Tucker says that the firm is now in the process of developing a computer - to - computer transmission of data with the national headquarters of Volkswagen, in New Jersey.

The data processing center will operate on a 24 hour basis daily, and will be manned by 16 persons.

In addition to Volkswagen, the new headquarters will also house the New England headquarters of the newly established Porsche Audi Division. Sales, service and parts activities for these two cars will be directed by Karl Hinz, who recently joined the New England distributorship, coming from Volkswagen of America Inc. in Englewood Cliffs, N.J. Sales of Porsche and Audi models will not start until November first.

A formal opening and dedication of the new Volkswagen headquarters in Wilmington will be held later in the summer, after completion of the landscaping of the grounds.

Robert S. Clark has been appointed general sales manager for the distributorship of the new Porsche-Audi Division of Volkswagen. For the past two years he has been the assistant general sales manager.

YOUR
Pharmacist
SPEAKS

By Louis

'Allergy' is a word only 50 years old, but the sniffles, sneezes, wheezing, itching, and discomfort are as old as mankind.

An allergy is a person's abnormal reaction to certain substances - altered activity. The body alters its action toward such substances.

Almost one half of the adults and one third of the children in the world are affected.

Allergies need treatment and are rarely outgrown.

If there is a history of skin rash, colic, infantile eczema, or respiratory allergies soon after birth, consult your doctor.

If your doctor prescribes some medication... fill your prescriptions at the SILVER LAKE PHARMACY, 52 Main Street. Open EVERY day 9 - 10. Tel 658-4617. Greeting Cards for all occasions. Whitman & Candy Cupboard Canides, Cosmetics.

HELPFUL HINT: Soak a towel in water, swish it around the room, and watch how quickly smoke disappears.

Planning Board

After half an hour of study, Tuesday night, the Planning Board voted that a plan submitted for land on lower Woburn Street did require their signature, and they then refused to sign, pending more information.

The plan was one of five sub-

mitted by the Stevens Family Trust of Lexington, which firm is the owner of much land along Woburn Street and Eames Street, and is preparing plans for an industrial park, off Eames Street, and opposite to Raffi & Swanson.

The plan in question did not show a right of way which the Planning Board noted exists on maps of the town, and also on aerial photographs of the town.

The board wrote a letter to Mr Stevens, asking that he establish that the right-of-way was not one 'of record', or else not to delete it from the plan.

Daniel Gillis led the discussions. He started by saying that he was reluctant to sign, and after the half hour of study he moved that the Planning Board not sign. The vote was unanimous.

The board also spent about an hour examining some plans that the Jackson Brothers have prepared, plans that would really be called sketches, for a proposed subdivision off Nichols Street. The land involved is in part that which the Jackson Brothers are to purchase from the town, as the result of the vote in the Annual Town Meeting.

The Jackson Brothers sketch shows a total of 79 houselots to be laid out, with two streets to come out to Nichols Street.

Part of the land has been excavated, the Planning Board was told, by the operator of a gravel pit off Brown Street, in Tewksbury. The Jackson Brothers said that the excavations extend about 200 feet into Wilmington.

The exact location of the Wilmington-Tewksbury town line is in doubt, in this area, due to earlier surveys that were faulty. Also in doubt are some of the property lines of land in the area.

The Jackson Brothers told the Planning Board that they are having the entire area surveyed, and they intend to submit the resulting work to the Land Court of Massachusetts, to clear up all legal doubts as to location of lines, and to ownership of the lands.

The Jackson Brothers also had a sketch of how they would like to lay out a building development off Shawsheen Avenue, and next to the Shawsheen River, land which can best be described as being on the opposite side of Shawsheen Avenue from Grace Drive. The area is zoned Rural, meaning that houselots have to be at least 60 thousand feet. Twenty five acres of land is owned in that area by the Jackson Brothers.

The Planning Board made no comment on the Rural area plans submitted, but told the Jackson Brothers that they would have to plan for a street to connect Nichols St. and Lake St. utilizing the layout of streets in the proposed Benson Park, off Lake Street.

The board noted that the Massachusetts Department of Commerce

has now issued an eight page paper defining the duties of a Town Clerk relative to zoning laws, and the control of sub-divisions of land. It wrote to ask for ten copies.

A lot of time was spent in a discussion of the plans of the School Board and the Permanent Building Committee, relative to the building of a new high school, or an addition to the present high school. There had been a meeting on this subject on Monday night.

Bill Hooper told the board that the Davis land, off Glen Road, was again being considered for a high school site. The land has about 33 acres, and is to be described as being in back of the DeMoulas store on Main Street. A Town Meeting of a year ago refused to buy the land.

Hooper said that Mr Davis had deeded half an acre of the land to his daughter, land on Glen Road. As he described the daughter's land, it was at about a median point between the two bounds of the land, as they meet Glen Road.

He also reported that Mr. Davis had told the School Board that he (Davis) had received an offer from a land developer for the property.

The School Committee, Hooper said, does not want to make any decisions until it sees a copy of the 'Hill Report' which is expected in about a month. Hooper described about eight acres of the Davis land, off the 'Wildcat' railroad, as once having been a cranberry bog.

The discussions, he said, were to achieve a high school capable of having 1600 pupils. The present capacity is 1100.

At the present site, it was said, the School Department could get the Grange Hall property. It also probably could make an arrangement with the Baptist Church on parking, to the rear of the Church. It was also believed that the School Department could get a part of the Frotton land and the Luongo land, both of which face on Wildwood Street.

The present school site has 17.8 acres, and this could give the school site a total of 28 acres.

If necessary, it might be possible to get still more land from Luongo and Frotton, and about four acres from Alan Fenton.

The Planning Board speculated on whether or not the Hill Report might recommend that the High School be made into a three story building.

Hooper said that the subject was 'kicked around'. Also kicked around, he said, were discussions about a possible swimming pool, and other such facilities.

Mrs McKie finally interrupted the discussions to point out that the Davis land, she thought, was not very accessible. She joked, but seriously, that the question would be 'Where do we charter the helicopter - this in reference to the narrow right of way for Glen Road.

She then went on to discuss the fact that a few years ago the town had had to buy a lot of swampland behind the Whitefield School, for a possible Intermediate School. As she understood it, the School Department was 'thinking of putting the high school on the Davis land, and probably converting the present high school into an intermediate school. For what purpose did the town buy that swamp behind the Whitefield School?

Gillis: That was bought to be used for an intermediate school!

Gillis spoke as though he were in favor of an Intermediate School on the Allen Property, (off Wildwood Street), and Mrs McKie seconded this thought, saying that it was the only large portion of land centrally located that could be so used.

State Affairs

Gillis, with beaming countenance commented on the recent actions of Governor Francis Sargent, re-

lative to the Outdoor Advertising control.

He noted that the Governor had directed the Outdoor Advertising Board to 'reorganize' itself, and to pay attention to the local zoning laws, and that the Governor was entering legislation to make these points stronger.

'Most amazing - great personal fortitude - he stood up to be counted' 'He sent letters to all the towns, saying that they should get busy, to help save the natural beauties of Massachusetts!' 'I'm a Democrat, but I can go for a guy like that'.

'There (the Governor) is a guy who has the guts to stand up against that power lobby - the Home Builder's Association!' - They've been pounding home their lesson every Sunday in the Globe!

A letter was sent to Governor Sargent 'commending you for your courageous action with regard to outdoor advertising. We wholeheartedly support your stand on billboards'.

A letter was sent to Region 5A of the Massachusetts Federation of Planning Boards relative to an article which had appeared in the Boston Sunday Globe, on a type of zoning in Seattle Washington, which was called CHOICE.

Gillis noted sarcastically that the zoning reduced lot sizes from 7200 feet to 5200 feet, and asked that Mr. Sweeney, of North Reading, the 5A representative, notify the State Federation of Planning Board that 'we are about to be inundated with proposals of this kind'.

Other Business

The Planning Board reviewed their letters relative to the Alderwood Estates.

On December 6th they had notified the owner that they had voted to pursue 'the remedies in Section 81U' because of unfinished work. At the same time a letter had been sent to the Town Counsel.

A follow up letter was sent to the Town Counsel on January 7th. There has been no reply.

Mrs McKie noted that the Town Counsel probably had had his hands full, because of the annual Town Meeting, and that perhaps he might have more time now.

Seminars for Pre-School Teachers in N. Reading

A series of workshops for Pre-school Educators began on March 25th at the Hilltop Nursery and Kindergarten, in North Reading, under the guidance of Mrs Jean Mentus, Director of Hilltop, and Mrs Doreen Moor, Director of the Leslie Country Day School in Stoneham. Approximately 35 teachers were present from pre-schools in Reading, Wakefield, Lynnfield, Wilmington, Stoneham, Andover and North Reading. The first grade teachers from the L. D. Batchelder School in North Reading were also present.

Plans are underway to discuss topics, share ideas, and have workshops pertaining to pre-school activities. Some of the topics to be explored will be reading readiness, science, dramatic play, creative arts, behaviour problems, speech development, literature, and seasonal curriculum ideas.

A second workshop was held at the Hilltop Nursery and Kindergarten on April 1.

Attending from the Brookside Kindergarten in Wilmington were Ruth McCabe, Sue Aalerud, Joan Foster, Priscilla Carter, Virginia Hastings and Sheila Richardson.

Also present was Mrs Arlene Tandyke of Hathaway Road, a member of the staff of the Hilltop School.

New standards for tire safety... appearance... reliability... mileage. There's never been anything quite like the DELTA 140 SUPER PREMIUM!

In side-by-side torture tests on America's most demanding test track... it literally "wore out" all its original equipment competitors. After 20,000 miles

of better than 90 MPH driving, the bald competitors called it quits, while the 140 rolled merrily... and safely... on. With good and proper treatment, we're confident the 140 super premium can bring its owners up to 50,000 trouble-free miles.

Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, and after five, 658-4865. If I'm not there, I'll call you.

Hi There, Folks,

It really is quiet, up here, all day long. It would seem that there is absolutely nothing to do until the next weekend, and then the doctors will 'discuss the schedule'. So far it doesn't look as though they will let me play with the Sox, this season, anyway . . . and you know

what a hardship it is for me to be incommunicado.

So things will be short and sweet until I can get the pulse beat again . . . and, by the way, you can mail your notes to me at Box 208, Wilmington. I'll get them, or call my answering service at 657-7141, and we'll get the notices on the road. We can do that!

Heard tell that Mrs Frank Bridges was in St Johns Hospital where she has had a gall bladder removed that was giving her trouble, and that Mr A T Norton of High Street, who will be 90 years young on May 30,

is in the Winchester Hospital with a couple of small problems, and that he has never before in his life been hospitalized. So - cards to those two folks gals, and you really can do it, can't you now!

From the boys: Dick Kennison Dear Nancy: This comes from Richard Kennison (Bill's brother, Bill who is stationed at Fort Dix). I've been over here in Germany for five months and we have one year left in this place.

My job is a gunner on an M60 Tank. We are going out in the field for thirty days, for intensive

practice on firing all the tank weapons - also to have a tank qualification course.

Oh - you made a little error in your March 20th issue. Bill is not married. But I was surprised that he dropped a line also.

If you could, Nancy, put in some names of the guys who are over here in Germany. Keep up the good work. I enjoy reading the column. Yours truly, Pfc Richard Kennison, US 51730535, Co A, 1/64 Armor, APO NY 03301

Good to hear from you Richard.

And sorry about making Bill married, but I swear that his wife called, and told about him, not once, but a couple of times. However, it seems I was wrong. I have been before.

And what do you know - Jackie Rogers used to live across the street from the Clan, so say hi to him for us . . . He used to play with the Peanut Butter and Pickle group. How about that?

Okay, parents, if your boy is in Germany, give us a call, and we

Austin Preparatory School Will Remain

After two weeks of indecision residents of Wilmington and other towns and cities near Reading have learned that the Austin Preparatory School, in Reading, will remain open. The news was heard by many Monday, at the 11 pm broadcast.

The school, which has 49 Wilmington boys among its pupils, is operated, and will continue to operate under the auspices of the Augustinian Fathers.

The Augustinian Fathers had found themselves over extended, and about two weeks ago announced that the school would have to be closed. There were financial difficulties, and there were too few priest available to keep the schools going.

During the past two weeks there was one time when it was believed that the new buildings would be sold to the Town of Reading for school purposes.

The remedy, arrived at Monday, involved an increase in the tuition fee of \$200, and the addition of lay teachers.

The Very Reverend Edward L. Daly, OSA, Chairman of the Board of Trustees for Austin Preparatory School, and Provincial of the Eastern Province of the Augustinian Fathers, announced, on Monday evening, through Fr. John C. Maloney, that the school will remain open, and under the auspices of the Augustinian Fathers. Diligent

work by the Board of Trustees, and a lay committee, analysing the national Catholic situation, and how it affects Austin, was part of the background to the decision.

Father Daly asked that five parents, experienced in the fields of finance, public relations, legal, business, governmental and academic, become members of the Board. With such an administrative play, he felt that Austin can and will enjoy a greater success.

CHANGE IN POSTMASTERS ON FRIDAY

William Lynch, who has been acting Postmaster of Wilmington since last summer, is to leave the position as of the close of business on Friday. Mr. Lynch, who was appointed by Senator Kennedy, will return to his job with the Boston and Maine Railroad.

John Kenney of Middlesex Ave. who has been Assistant Postmaster of Wilmington for some years, will be put in charge of the post office, without becoming an acting Postmaster.

The change is being made in accordance with the recent directives of President Nixon, regarding appointment of Postmasters.

SAM TUCKER AND FRIENDS: The Vice President and General Manager of Volkswagen Northeastern (left) is shown with officials of the John A. Harrison Inc., authorized Volkswagen dealership at 196 Lexington Street, in Woburn.

Harry E. Chandler, service manager of John A. Harrison, Inc. was awarded Volkswagen's International Commendation Award 'for outstanding individual excellence on the management level'. He is one of nine Volkswagen employees in New England to win the award, which was presented by Robert L. Witham, general service manager for Volkswagen Northeastern. Mr. Chandler lives in Saugus, and was recently sent to the Volkswagen plant in Wolfsburg, Germany, to receive his award in person.

L to R: Sam Tucker, Mr. Chandler, John A. Harrison, and Mr. Witham.

Pony League

The Wilmington Pony League is planning to field three full teams this year.

The league has had two teams only for several years. With the assistance of the Wilmington Recreation Commission it is believed that three teams will be the minimum, from now on. John Waugh, well known Wilmington sportsman has agreed to manage one of the teams.

Tryouts will start at the High School Field on April 19, (Saturday) at 1 pm, and again on the following day, at 1 pm.

Boys between the ages of 12 and 15 are eligible to play, and are urged to attend.

Any member of a regular team last year need not attend, and is urged not to attend. Any boy who played as an alternate last year should attend the tryouts.

Candidates are being asked to bring their own gloves, and wear either sneakers or baseball shoes.

LES DURKEE PLANTED THE PUSSY WILLOW TREE

The Biggest Pussy Willow Tree, subject of a story in last week's issue of the Town Crier, was planted about 37 years ago by Lester Durkee, retired Water Department employee. Mr. Durkee lives on Salem Street, but at that time he lived in the house that is now the Ralph Knight home, on Andover Street.

Mr. Durkee planted that tree as a favor for the lady who was the mother of the then Superintendent of the Water Department, Don Foster. He also planted a similar tree at the same time, in Andover.

There are five different kinds of American Pussy Willows, and Jay Gottesfeld of Andover, the 'discoverer' of the tree, is now examining the catkins under a microscope, to determine just exactly which species the North Wilmington tree is.

He told the Town Crier that officials of the American Forestry Association may be expected to

visit Wilmington some time soon to check the dimensions, etc. of the tree.

According to Mr. Gottesfeld the tree will be at its greatest beauty, if admired from a point about fifty feet away, sometime next week when the catkins are yellow.

CHARLES INGALLS HEADS CANCER CRUSADE

Charles Ingalls, 186 Chestnut Street, is the chairman of the 1969 Cancer Crusade in Wilmington. The annual crusade has already started, and Mr. Ingalls states he is making plans to secure assistance from every organization in town, so that Wilmington can make a good showing.

Cancer is still one of the top killers in the country, affecting all ages. Anyone who wishes to further this work may call Mr. Ingalls at 658-4332.

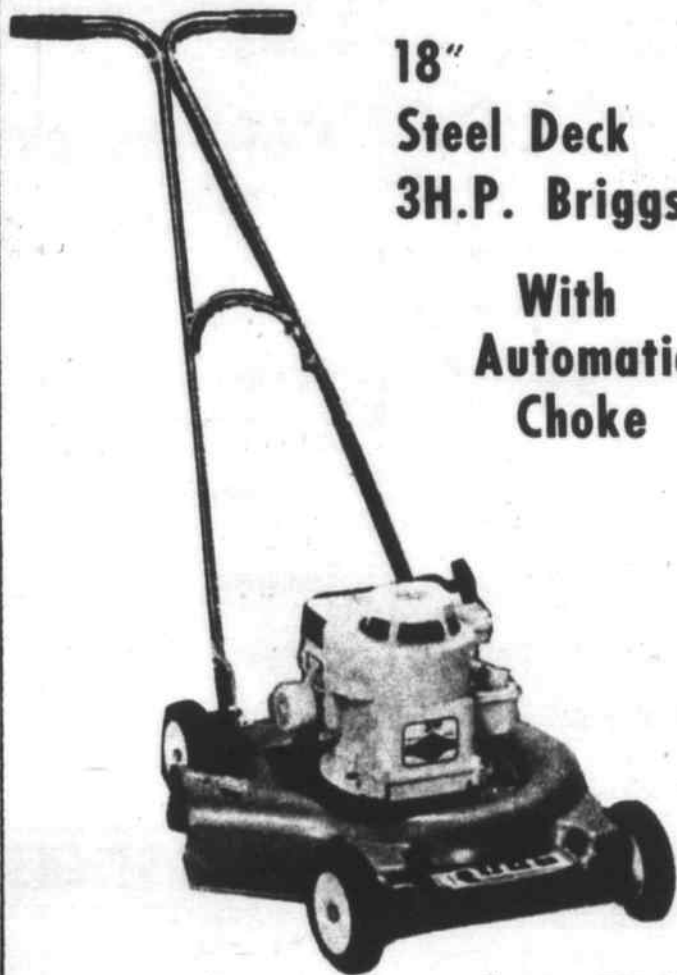

An organizational meeting is to be held at the Commercial Bank & Trust on April 17 at 8 pm.

'Know Your School'

Discussions by LWV

The League of Women Voters of Wilmington will hold unit meetings on 'Know Your School' under the Chairmanship of Mrs Harry T. Stewart, on April 16 at 8 pm at the home of Mrs John Hensey, 401 Andover Street, and on April 17 at 9:30 am at the home of Mrs William Hooper, Jr at 34 Marcia Road.

The committee plans to discuss the history of the Wilmington School System, and the school budget. Anyone interested in learning more about the League of Women Voters may contact Mrs. Christian Bachman, at 658-8319.

Deaths

FUNERAL SERVICES FOR
CHARLES J FEELEY FRIDAY

Charles J Feeley, husband of Bridget (McGahan) Feeley of 8 Tobin Drive, died Tuesday evening as the result of an accidental fire at his residence.

79 years old, he was a native of County Mayo, Ireland, and had been a resident of Wilmington for the past 40 years. He was a retired plasterer, and a veteran of World War I, having served in the U.S. Army.

Beside his wife Mr Feeley is survived by a daughter, Mrs Mary Boghesson of Wakefield, and two granddaughters, Mrs Leone Howe and Miss Roseanne Boghossian, both of Wakefield.

The funeral is to be held from the W S Cavanaugh & Son Funeral Home, 374 Main Street on Friday at 8:15 am, followed by a High Mass of Requiem at St. Thomas Church at 9 am. Burial is to be in the family lot in New Calvary Cemetery in Boston.

Visiting hours at the Cavanaugh Funeral Home, tonight, are from 7 to 9 pm.

FUNERAL SERVICES FOR
MRS LOUISE RICE

Mrs Louise (Sadler) Rice, of 18 Dorothy Avenue passed away on April 3rd at the Boston Hospital for Women, in Brookline.

A native of Brunswick, Maine, she had lived in Wilmington for the past nine years. She was 53 years old.

Well known for her interests in horticulture, Mrs Rice was a mem-

ber of the Arlington Garden Club, the American Iris Society, and The North American Lily Society.

She was a Past Worthy Matron of Acacia Chapter No. 80, Order of Eastern Star.

She is survived by her husband, Burton H Rice, a daughter, Mrs Alice R Plunkett, and two sons, James S. and Charles B. Rice. Three grandchildren also survive.

Funeral services were held in the Nichols Funeral Home, 187 Middlesex Avenue, on April 5th at 1 pm with the Rev. H. Allen Taddell of the Wilmington Congregational Church, officiating. Burial was in the family lot in Mt Auburn Cemetery, Cambridge.

FUNERAL SERVICES FRIDAY
FOR MRS SADIE H WEBBER

Mrs Sadie H (McKusick) Webber, a resident of 41 Lake Street for the past 15 years, passed away on April 8th, in Reading, after a lengthy illness.

A native of Boston, Mrs Webber was the sister of Mrs Harold (Edna F.) Melzar of Wilmington, Mrs Donald (Ruth G.) McLean of San Bernardino, California, and Harold W. McKusick of Downey, California. She is also survived by several nieces and nephews.

The funeral services are to be held tomorrow at 11 am at the Nichols Funeral Home, 187 Middlesex Avenue, Wilmington, with the Rev. H. Allen Taddell of the Wilmington Congregational Church United, officiating. Burial will take place in the family lot in Pine Grove Cemetery, Manchester, N.H.

The Wilmington Town Dump

IS PRIVATELY OWNED PROPERTY

ANY AND ALL PERSONS USING THE WILMING-
TON TOWN DUMP FOR DISPOSAL OF THEIR REFUSE
MUST COMPLY WITH THE RULES AND REGULA-
TIONS AS SET FORTH BY THE OWNER, AND THE
WILMINGTON BOARD OF HEALTH. ANY VIOLATOR
MAY BE PROSECUTED AS A TRESPASSER.

THE CONTRACTOR THIS YEAR WAS FACED
WITH A MAJOR DECISION BECAUSE OF THE MANY
PROBLEMS ASSOCIATED WITH THE RESTRICTIONS
AND CLOSINGS OF DUMPS IN THIS AREA. EITHER
THE PRESENT OPERATION HAD TO BE CHANGED,
OR THE OVER-BURDENED HOME OWNER WOULD
HAVE TO FACE A SUBSTANTIAL INCREASE IN COST.

AFTER MANY HOURS OF SEARCHING A FAIR
AND EQUITABLE SOLUTION HAS BEEN FOUND.

AS OF APRIL 1, 1969, THE DEPOSITOR OF ANY
RUBBISH OTHER THAN HIS OWN NORMAL HOUSE
HOLD DEBRIS WILL BE DIRECTLY ASSESSED WITH
A DISPOSAL FEE.

Hopefully, this dumping facility will provide the residents
of Wilmington with an adequate dump at a reasonable fee.

Clarence Spinazola, Owner and Contractor.

More Nancy

(Fr. Pg. 7)

will try to put them in touch with Dick and Jackie.

The boss is planning to print a complete list of addresses one of these days - that'll help out some of the boys who know how to translate the Army address code into meaningful figures and places - there are some who can do it, I know.

And another idea, any of you boys who are in Germany, and are getting the paper (a lot of you are) let us know, and we'll see if we can make a Wilmington reunion over there. The boss, too, will be in Germany this summer, as a guest of the German Press, on some kind of business - who knows, maybe there could be a really big meeting of Wilmington guys for and with him!

The latest report from Vietnam. Billy Rice had his truck blown up, but no one was badly hurt. Just some cuts and scratches. Now he is on his way back for another truck. Watch that stuff Willie, and God Bless You. We've been saving up the peanut butter, and I didn't get better from this operation for nothing - so keep your eyes open! We want you back whole!

Brian McMahon, who has been stationed in Arizona, with the Air Force, is leaving to go overseas to Vietnam, next Tuesday. He is being assigned to the Bien Hoa Airbase, which is supposed to be one of the largest in the world, so I hear.

And waiting for Brian is Tommy DeFelice, who is stationed about four miles from Bien Hoa.

And a note from Diane Fielding up on Hopkins Street. It seems, if this gal has read her notes right, that Diane was recently kicked by a horse, which is not exactly the way to have a day of fun.

Anyway, Diane has a lot of manure which she is giving away to all comers - just it time for those flower or back yard gardens. Go

up and get it, and bring your own container.

There is a basket there, on the Fielding Farm, into which visitors can put their donations, all of which will go to help the American Field Service, specifically for the expenses of the foreign student who is expected to arrive in Wilmington for a year's stay, next August.

There is still a problem of finding a place for the foreign student to stay, if any of you ladies have any ideas - speak up!

That lady in Lawrence who just donated her heart was the mother of a boy who had had a heart fatality in his wife. His wife passed away from a congenital heart condition. This family decided to donate their mother's heart. They are close friends to the Farrell family on Wildwood Street - the ones who bought the old Benjamin Buck house.

Our hearts are with you all, Barb and Fran particularly, and aren't people just wonderful - we may crab about Wilmington, but where else do you find people like this fellas - overseas?

You certainly can be proud of your Homeside USA!

We have a note from a friend about the CYO Youth Center. It seems that tomorrow (Friday) there are to be four Harvard graduate students who will talk about whether or not Christ makes any difference in the world today. All high school students are invited.

Remember Bill Hall? He is the son of Mr and Mrs Chester Hall of 666 Woburn Street, and became an expert in the Russian language. Spent time in Russia, and has been a school teacher for several years, just how many slips this gal's memory.

Bill now lives in Lexington, and teaches Russian in the Concord-Carlisle Regional High School.

He has just been appointed to lead a group of High School students on a six week tour of Europe. The tour is sponsored by the American Institute for Foreign Study, and the students leave in

the latter part of June.

They will study at the University of Leningrad for four weeks, during which they will live in a beautiful resort area on the Baltic Sea, near Leningrad.

After four weeks in Leningrad Bill and his students are to go by train to Moscow for sight-seeing, after which they will fly to Paris.

Boys - you from 11 to 15 years old! Want to take part in a Soap Box Derby?

Gildart's Chevrolet Company, at 555 Main Street, has the application blanks. Maybe they'll give you a hint or two on how to do it. It could lead to some big prizes!

Glad to hear that Fred Ward is back on the job. The Wilmington police officer spent months in the Winchester Hospital. It seems, He is now working on a part-time basis, in the Wilmington Police station.

CONGREGATIONAL CHURCH (Fr. Fr. Pg.)

Vestry, where the pledges will be received.

Pledge solicitations will continue on the following Sunday, with a coffee hour to follow the 11 am service. On Sunday April 27, Mr Jack Johnson, the new assistant minister of the church will conduct both services of Holy Worship, after which pledges will again be received.

On April 27, in the afternoon, the church plans an Every Member Canvass, for the Improvement Program.

The Church Beautification and Improvement Program will include a redecorating and painting program of the Sanctuary, and new carpeting. It will also include painting of the exterior of the Church, and hard-topping and extension of the parking facilities.

AVCO (Fr. Fr. Pg.)

The Avco Applied Technology Division, in Lowell, which has earned a reputation for outstanding materials research and development, will continue to concentrate its efforts in this and other areas of technology, sub-systems design and development, and hardware support. It also has built a reputation as a manufacturer of boron filament, a developer of aerospace sterilization facilities, ablative heat shields, armor systems, miniature rocket propulsion systems, and composite materials.

The Avco Systems Division in Wilmington now has about 2100 employees, located on Lowell St. and in Dracut, in Massachusetts, and at the Western Test Range at Vandenberg Air Force Base in California.

The Wilmington facility has a growing complex of modern buildings containing approximately 750,000 square feet of floor space. The division is extensively equipped with sophisticated aerothermodynamic test equipment, environmental test facilities and manufacturing capabilities.

It is a major designer and developer of complex aerospace systems and sub-systems. Missile programs include strategic missile reentry systems and penetration aids for strategic and tactical weapons systems. Space programs include scientific satellites, planetary probes, isotope re-entry vehicles, and military space sub-systems.

The division is also a major systems specialist with broad capabilities and expertise available in systems engineering technology for the solution of a wide variety of technical and management system problems. Program activities currently focus on fields of transportation, postal systems, marine systems, optical systems, laser system, and computer services (Avco Computer Services) Avco Systems Division is one of the six divisions of the Avco Corporation's Government Products Group.

STAGEMANAGE: Miss Vita Marie Sinopoli, daughter of Mr and Mrs Sinopoli of Emerson Street, is the stage manager for the production of My Fair Lady. In addition she is the prompter, and the servant of Higgins. The play starts tonight in the High School

Chamber of Commerce Plans MBTA Talk

The Wilmington Chamber of Commerce has begun plans for a discussion of Wilmington's role in the MBTA plans, to be held in the latter part of April, probably at a luncheon. To be invited to discuss the problems will be one of the top officials of the Massachusetts Bay Authority, and pending acceptance no date can be set for the luncheon. The discussion is to be limited to members of the Wilmington Chamber and invited guests.

Recent reports from Boston have said that Wilmington's share of the MBTA deficit is to be increased from \$6,000 annually to over \$100 thousand. While it is not clear, it is understood that this portion of the deficit is only for train transportation, and that there may be an additional levy for the bus transportation to Wilmington.

The Chamber has also voted to participate in the Wilmington Clean Up Campaign, which has been set by the Selectmen to start on April 28

LOUISE HENDERSON
IS ENGAGED

Mr and Mrs Frank F Santo of 12 Beacon Street have announced the engagement of their daughter, Miss Louise Henderson to Edward R. Cain, son of Mr and Mrs Frederick A Cain of Waltham.

Miss Henderson is employed as a secretary by the Itel Corporation. Mr Cain is employed as a welder by the Perrini Corporation. A June wedding is planned.

EDITORS NOTE: There are undoubtedly corrections to be made in this list of Wilmington service men. Names have been left out, for lack of knowledge, and men have been assigned to new posts, of which the Town Crier has no immediate knowledge.

It is hoped that a second listing of Servicemen's Addresses can be printed in the near future, showing corrections and additions.

Readers who spot errors or omissions are asked to PLEASE write the correct address on a Post Card, and mail it to the Town Crier, Wilmington Mass.

PLEASE: Do not attempt to telephone in the corrections or additions. It would tie up the Town Crier's telephone, and help to make things just a little more confused!

Births

LAFFIN, Frederick Lloyd, first child, to Mr and Mrs Fred M (Harriet) Laffin, Balladvale, in Choate Memorial Hospital, Woburn, March 31.

Grandparents are Mr and Mrs Lloyd Laffin of 11 Veranda Ave., and Kenneth D Alexander of Fremont, New Hampshire.

TROUT STOCKING HAS STARTED

The Massachusetts Division of Fisheries and Game have been stocking streams in Wilmington in anticipation of the opening day of the Fishing Season, April 19.

So far fish have been stocked in Lubbers Brook at Concord Street, and in the Shawsheen River.

THE FIRST HIT OF THE SEASON: In Wilmington Little League went to Bill Souza of North Street, one of the nine year olds who took part in the Try-Outs at the north Intermediate School last Saturday. There were 90 youngsters who took part.

Tryouts for the 10 year olds start at 1 pm this Saturday, at the North School, and for the 11 and 12 year olds, 1 pm Sunday, also at the North School. There will be No Registration. Only boys who have already registered may take part in the Try-Outs.

Dick Ring to Tryout for Olympics

Dick Ring, former Wilmington Skating Club star, and still holder of the North American Men's Two Speed Skating record, will tryout for the next Olympic team, as a Bicycle Racer in the 112 mile distance.

Dick was a resident of Wilmington during the last half of the 1950's and an active speed skater, who held many records. He was at that time a Middlesex Ave. resident. He now lives in Westford.

Dick took up Bicycle Racing as an adjunct to his speed skating, to

provide summer exercise for leg muscles, and has since become one of the top Bicycle Speedsters in the United States. In pro-Olympic trials in California, last summer, he placed 17th in a field of 200, in a grueling up and down hill race of 112 miles, with the temperature hitting 106 degrees. The course was specially chosen to simulate the conditions to be found in Mexico.

Dick will go to California this summer to again compete in the 112 mile distance. The expense money for the trip was raised by the Westford Jaycees.

TWENTY FOUR AND ONE HALF POUNDS; Mrs Myrtle McKelvey of Border Avenue is vacationing at Madeira Beach, in Florida, and on a recent fishing expedition caught this heavyweight, which she was unable to pick up for the photographer, it was so heavy.

HE IS A CAPTAIN AGAIN: Peter Emery, son of Mr and Mrs Talbot Emery of 41A Lake Street was captain of the Wilmington High School baseball team in his senior year, and is now the captain of the baseball team at Colby College, in Waterville, Maine. He is shown with the coach, John W Winkin, physical education and athletics director of the college. The Colby Mules open today against Wesleyan University at Middletown, Conn.

Emery, who is also a member of the Colby varsity hockey team, was the most valuable player in the baseball squad at Colby last season.

Town League Basketball

The Adult Division of the Town League Basketball closed out their season with a victory of 77 to 70 over the Melrose All-Stars.

George Pratt led the Wilmington All-Stars in scoring with 20 points. Steve Donahue followed up with 19, and Bob Milley had 12. Other players were Jon Fairfield, Bill Walls, Bob McNabb, Paul Dearborn, George Hanna, Al Stone and Dave Newhouse.

Bedell's, with Dick Ethier coaching, again captured the League Crown. Joe Beaton Jr. led the team, scoring a season total of 219 points. George Pratt had a season total of 166.

Newhouse's took second place, losing to Bedell's two of the three times they met, which accounted for two or their three losses. Bill Walls led in scoring for the team, with 254 points, and Steve Donahue poured through with 153, to aid the Newhouse's to a plus season.

The Chargers took third place with Bob Cassello hitting the bucket for 130 points, and Bill Ritchie dunked in a season total of 117.

The Faculty, still having a hard time to get together, was led in scoring by Bob Milley, with 191 points. Al Stone followed up with 134 for the season.

Plans are being made to expand the league next year to six teams and to play two nights a week. The League played an interchange of games with Melrose during the past winter, and would like to play a full schedule next year. The Melrose League is about two years old, and plays two nights a week. Hoping and planning the league may bring this kind of basketball to Wilmington.

American Field Service Collection Sunday

Students from Wilmington High School will be knocking on the doors of Wilmington, next Sunday, from noon to 5 pm for the purpose of collecting money to bring a foreign student, through the American Field Service, to live in a home in Wilmington for one year.

The goal is \$750, and the committee feels that everyone in Wilmington will want to have a part in the rewarding program. Chairmen are Mr and Mrs Carl Vayo of 35 Boutwell Street.
